

Is your First Aid Training up-to-date?

On-site Available

We come to you!

For your staff this is guaranteed to be fun and informative

- You will save money with less down time because your staff can do the entire course in just one day.
- Your staff will be capable of handling most emergency situations thanks to our competency based training format.
- Onsite training available for groups of 5 or more.
- On completion of the course your staff will have accreditation nationally recognised and VETEC accredited.
- Your staff will learn first aid from highly qualified trainers who can pass on their years of experience in emergency medicine in a relaxed and easy to understand format.
